Attention: Dave Gordon, President

Dear Sir:

We would like to take this opportunity to express our pleasure for a job well done. We recently replaced our original asphalt driveway with a clay brick paver driveway. Your company completed this project in a timely manner and the results are greatly enjoyed by ourselves and our friends.

Everyone that we dealt with at National Brickpavers, Corp. conducted themselves in a pleasant and professional manner. The expertise and the agreeable nature of the installation crew made the process proceed quickly and the results are beautiful.

Dave, you made the project easy to understand and kept us informed along the way. Your personal approach to our venture was appreciated by both my wife and I.

We would gladly recommend you and your company to anyone interested in obtaining a beautiful result at a reasonable price.

Sincerely,

A handwritten signature in cursive script that reads "Sharon + Bill Murphy".
